We are inviting to

**2nd PROFESSIONAL MEETING
OF SLOVENIAN ARTS THERAPISTS**

11th – 12th April 2008
Center za korekcijo sluha in govora
Portorož, Slovenia

Topic of the meeting:
Forms and working methods in arts therapies

The meeting will be focused on the introduction of different forms and working methods in dance-movement, music, art, and drama therapy. We are interested in different approaches to therapeutic work with children, youths, adults and elderly people and wish to show preventive and therapeutic processes in these therapies as well as areas of overlap. During the presentation of papers and during workshops, we welcome contributions from all attendees on matters concerning the dilemmas and difficulties faced in our practical work in the field of arts therapies, as well as opinions on theoretical matters.

In papers and workshops the confrontations with dilemmas, which we face in our practical work and reflections on theoretical approaches in the arts therapies are welcome.

The presented articles will be **published in a booklet**. All presenters at the meeting should follow the guidelines given in the GUIDELINES FOR AUTHORS OF ARTICLES document which accompanies this document.

The official language of the meeting is Slovene, foreign presenters will give their lectures in English.
